- with imagination being the only limitation. There's plenty of Sports and games to get active and burn some energy: football, rounders, basket ball, bench ball and more, plus capture the flag, jail break to mention just a few. Weather permitting, we'll get outside for games on our lovely playing field. Every afternoon we award our certificates and stickers, play games and build chill-out zone dens with puzzles, board and card games. We end the day with lots of fun party games. We've got so many fun things planned, we can't possibly list them all ..... so here are some of the highlights\* you can expect. (\*activities may be subject to change)
